

Puppy Socials!

Puppy Socials offer a safe environment to further socialize your puppy starting during that critical up-to-16 week socialization window. Your puppy will play with other pups to hone their social skills and work on their bite inhibition. This is not a dog park - all sessions are closely monitored and supervised by qualified trainers. Pups must be 16 weeks or younger, or currently in a level 1 puppy class, when attending *first* social. If pups remain social, they may attend indefinitely no matter how old. *PLEASE NOTE: To meet the goals of puppy socials, priority entry will always be given to the youngest puppies.*

Pawsitively Fabulous!

Saturdays: 9:00 a.m.

A DOG'S LIFE / Palo Alto, 885 Commercial Street

Sundays: 9:30 a.m. & 10:30 a.m.

A DOG'S LIFE / Sunnyvale, 1249 Birchwood Drive

First timers and shy pups should attend the 10:30 session.

Walk-in fee per dog, payable to trainer at the door: \$15

Socials are held at A DOG'S LIFE locations. Need a map? Visit: <http://www.dogslife.biz>

Requirements & Restrictions — To keep things safe & sane!

Pups must be under 16 weeks of age or in a level 1 puppy class when they attend their first social, *but may continue to attend indefinitely*, as long as they remain friendly and social.

Bring proof of at least the first vaccination with you to your first social. Pups must be a minimum of 10 days past their first vaccination.

Guardian 18 years or older **must** accompany dog throughout the social.

Bring a few yummy treats for your pup and a non-spill water bottle. For safety of all dogs, please bring pup on flat collar (no metal or slip collars; harnesses must be removed during play).

On-time arrival is required to avoid disruptions. Space may be limited. Priority entry will always be given to the youngest puppies. Socials will be closed to latecomers.

The puppy socials are intended as a safe place for friendly pups to socialize and develop good skills. ***They are not an environment to work on already existing behavior problems.*** Socials are not appropriate for every dog and the trainers on duty are qualified to make that assessment if necessary. Trainers reserve the right to excuse any pup from socials for any reason.
